# SEASON WELCOME

---

Welcome to season 2021 and arguably the most anticipated year of football and netball we've had. It is great to finally get back into the action after a long 18 month break for the senior players. Season 2020 was one like no other and it was fantastic to see the clubs rally together and work towards the common goals for their players, members and supporters. Our fingers are crossed that we get through this season uninterrupted as it looks like it will be a competitive season on the field. The League is continuing to invest in promoting our member clubs with our match day video and coverage.

This year will feature two matches in each round with the match of the round featuring the TRFM commentary. Follow the attached QR code to visit Gippsland League TV for highlights.

COVID 19 and the protocols surrounding the return to football are still impacting our clubs. Please help our volunteers out by social distancing when possible, especially at the quarter break huddles. Patrons are able to enter the field but must maintain the 1.5 metres from the players and other fans whilst surrounding the huddles. Please remember to check in via the venues QR code that will be readily available. If you have any issues with this please see an executive member of the home club. Finally Happy Easter to everyone and remember that the conclusion of this split round will be on next weekend with 4 games spread across Saturday and Sunday. To check out the most up to date Gippsland League fixture scan the QR code attached here. Best of luck to all players from Wonthaggi Power and Drouin today in the return to football and netball in Gippsland!

# AFL GIPPSLAND MESSAGE

---

Welcome to the 2021 season. To say this would be the most anticipated season yet, would be an understatement. Whether you're a player, official, umpire, supporter, friend or family we welcome you and thank you for returning to football or netball after the 2020 season we didn't have.

The last 12 months have been a challenge for everyone and whilst some of those challenges remain a threat in the background, it's exciting to see leagues, clubs and associations get on with things as best they can. There's no hiding the fact things will look different both on and off the field. How things look in round one may be different in round seven or twelve, but I encourage everyone to adapt, remain flexible and do what we can to ensure football and netball is played as normal as possible.

In addition to the challenges of the pandemic, across Gippsland there have been some significant changes to leagues with some junior age group changes as well as a few clubs changing leagues.

In 2021 my biggest priority is participation. Whether that's within schools, auskick centres, junior or senior clubs, I am committed to supporting all levels across Gippsland.

Have you heard about or seen on our social pages the exciting work Gippsland's Football Development Managers have been doing in schools? George Morgan, Michael Roberts and Paul Vaughan have all returned reenergised, enthusiastic and passionate about participation and retention. If your school, club or auskick centre has not been visited or contacted throughout term one, anticipate a visit or support after Easter holidays.

Just as energised are the RAC staff who are eagerly awaiting round one results to start coming in to assure them community sport is back. Daniel Heathcote will again manage and administer the Gippsland League as well as oversee and support the operations and staff within the RAC.

Simon Whelan is excited about administering the junior leagues, Traralgon and District Junior Football League, Sale and District Junior Football Association and Southern Gippsland Junior Football Competition. Simon will also manage the AFL Gippsland Youth Girls and support the clubs in the West Gippsland Junior Football Competition.

Brandon Milburn will oversee the Alex Scott & Staff West Gippsland Football Netball Competition and AFL Gippsland Women's League. Brandon has been pivotal in administering the inaugural AFL Gippsland Intersport All Stars, a new Gippsland regional program for 13, 14 and 15 year olds.

We welcome Carlie Dwyer to the team in a new role at the RAC. Carlie will be responsible for netball administration of the Alex Scott & Staff West Gippsland Football Netball Competition as well as support Daniel with netball matters in the Gippsland League.

I am confident that across our Gippsland region, at the RAC, within clubs, at league level or individually, no stone is being left unturned to ensure everyone reconnects with football and netball in 2021.

Bring on the first game! I can't wait to get amongst the crowd and watch more community football and netball than ever!

**Nicholas Fogarty**

Notes: On their last trip to Wonthaggi in Round 9, 2019, Drouin broke a six year drought when they broke away after half time to record a 25 point win over the Power, the Hawks' biggest win at that venue. Wonthaggi turned that result around when they finished the 2019 season at Drouin with a comfortable 34 point victory. Wonthaggi stormed home with four wins from their last five matches to finish just one win from finals action and they will want to put in a good start to the 2021 season so they don't find themselves in that position again. After being Wooden Spooners in 2017, Drouin worked hard to build themselves back up to play finals in 2019, but were ravaged by injury and unavailability. As both teams have been extra busy recruiting, this stand-alone game will be watched by all with great interest.

## 5 YEARS AGO 9th April 2016

Closely fought out matches marked the opening round of 2016, Wonthaggi's 35 point margin over Morwell being the biggest difference at siren time. Leongatha showed that they would again be a force to contend with when they reversed the 2015 Grand Final result. Just fourteen points separated the two at the final change, inaccuracy costing the Maroons dearly. Chris Dunne and Aaron Hillberg were busy up forward for the Parrots with Sean Westaway solid in defence, Leongatha running away with four final quarter goals to Traralgon's one. Wonthaggi sat atop the Gippsland League ladder with a hard-earned home ground win over Morwell. Dom O'Connor and Phil Young stood out for the Power as they, too, extended a three quarter time lead with four final quarter goals. Adam Cook stood out for the winners with four goals. After a nine goal opening term at Warragul (Gulls 4.1 to Moe 5.1) majors became hard to find. Warragul edging their way to a handy lead at half time. Nate Paredes and Dylan Proctor, now full time at Warragul after their time at Gippsland Power, led the way for the Gulls, protecting the half time advantage. Drouin had a narrow lead late in their game at Bairnsdale, only to see the Redlegs get the final two goals of the match and win by five points. James Gibbs and Simon Deery were towers of strength up forward for Bairnsdale, with eight of their team's ten goals. A huge crowd on Sunday at Aire was well entertained, Maffra ahead by less than a goal at three quarter time. The Eagles prevailed with five goals to one in the final term. Sam Fleming, Mitch Bennett (4 goals) and big Trent Knobel led the way for Maffra.

## 10 YEARS AGO 9th April 2011

Bairnsdale marked its return to this competition with a first-up win at Warragul. The Gulls did themselves no favours with just one goal from nine scoring shots to three quarter time. Luke Dyer and David Donchi dominated the midfield, although Warragul ruck duo Matt Gray and Mark Bradley were in control in the air. Morwell was wayward in front of goal, also, but still managed to overcome Wonthaggi by 22 points. Julian Blackford and Jack Brown led a rock-solid defence for the Tigers. Leongatha won a high scoring match at Traralgon, gaining a vital break in the second term when they added 7.5 to 1.4. The Vernon brothers, Zac and Beau, were best for the Parrots with Nick Nagel the leading goalkicker with five. Dan McKenna and Jordan Symons contributed four each to the Maroons' cause. On Sunday Sale won a nail-biter at Maffra in a game where goals were hard earned and Drouin skipped away from Moe after half time to record a 45 point win over the Lions. Chris Dunne's bag of eleven goals was a club record for the Hawks in matches against Moe and the equal third highest tally for an opening round in this league.

## 20 YEARS AGO 8th April 2001

Sale played catch-up football against Maffra in what finished up to be a thriller at Maffra. The Eagles got away to a bright start to lead by 17 points at the first break, then Sale pegged them back with four goals to three in the second quarter and another four goals to two in the third to reduce the deficit to just three points. Justin Bramich was an effective tall target for Maffra with Nigel Sellings controlling the ground ball. Sale was led by on-baller Peter Macfarlane and forward Brad Wynd (5 goals). Scott Hennig goaled early in the final term for Maffra, and midway through further goals to Andrew Gieschen and Nigel Sellings seemed to put the game in the Eagles' keeping. Sale rallied with goals to Powell and Camm, then a clever goal

from Billy Harris put Sale in front. Deep into time on Glen Coridas marked at the 50, played on and goaled to regain the lead and the match for Maffra. Wonthaggi's incredible accuracy in front of goal (18.4.112) was certainly an important factor in their nine point win over Moe. The Lions had stormed to the lead in the third term, kicking seven goals before the Blues came home with six straight unanswered goals. Warren Everitt and Tim Hooper were best for the Blues, with Gareth Abrahamson kicking four goals, while Moe's best were Lachlan Sim and Peter Ainsworth, Dean Caldwell kicking four goals for the Lions. The final game saw Leongatha prevail against Traralgon in a hard fought, low scoring match. Traralgon managed just one goal to half time, with both teams adding four goals in the second half. Michael Johnston and Alan Wilson (3 goals) were best for the Parrots, with Greg Morley and Grantley Switzer the stand-outs for Traralgon. Morwell had the bye.

## 30 YEARS AGO 6th April 1991

Three big wins to Maffra, Morwell and Moe saw them lead the LVFL ladder after the opening round. Maffra, after kicking a solitary goal in the first term, blew Churchill away with a ten goal second quarter, the Kangaroos goalless at that stage. Gavin Schultz (7 goals) and Daryl Cunningham (6) continued the barrage after half time as Maffra added another thirteen goals in the second

half. Morwell also put their stamp on the game in the second quarter, kicking 5.9 to Warragul's 2.2 to lead by fifty points. Warragul fought the game out with Ian Bowman and Nick Byrne showing out, but Morwell's Andrew Pratt, Ashley Bond and Rod Taylor (4 goals) led a more consistent unit. Moe trailed Bairnsdale by a point at half time, but kicked six, and then seven goals in the remaining quarters to run out comfortable winners. Bill Pace and Paul Sheedy were Moe's best with Glenn Cann leading the scoring for the Lions with four goals. Campbell McNaughton and John Mulqueen were best for Bairnsdale with Stuart McLaren contributing four goals. The day's thriller was at Traralgon where the home team got home by four points against Leongatha. The teams went pretty much goal-for-goal all day, one goal each at quarter time, four apiece at the half time break and just a goal apart Leongatha's way at the final change of ends. The game was in doubt right throughout, Traralgon's Wes Sutton being the day's hero with the match-winner at the 25 minute mark. Brad Heil (Traralgon) and Peter Helms (Leongatha) were best afield with goalkicking honours shared. Sale had the bye.

## DROUIN

The Hawks can't wait to start the 2021 season following the disappointment Covid brought last year. We have had a great influx of junior players and some really good recruits to our senior sides – both on the field and the netball courts. In particular, our football side welcomes Tim Hancock, Michael Theodorisis, Cam McPhan, Cal Tyler and Matt Stevens who are set to add size and experience to our young team.

We look forward to playing a tough Wonthaggi side on Easter Saturday as the season opener. Wonthaggi was the last team we played in 2019 and it was a tight contest across the board. We're expecting an even tighter battle this year as Wonthaggi have recruited strongly and will be tough rivals throughout all the matches.

Behind the scenes, our club has welcomed new blood to both our respective Committees – John Peterson, Carl Lockhart, past President Michael Derrick, Glenn Awty and Rebecca Virtue all join the team for the football club, while the Netball club has welcomed a number of new members into the fold. All have made a very positive contribution to the club already.

We encourage all players and supporters to get a HAWKS LOTTO ticket so you can win a \$250 weekly prize. Draws start soon so don't miss out.

Drouin FC is also involved in the TOYOTA GOOD FOR FOOTBALL RAFFLE this year. Buy a ticket online and be in the running to win one of 4 new cars.

We are looking forward to a positive result today against the Wonthaggi Power

# Increasing Access to Sport

## Identifying and addressing barriers to sports participation for 12-18 year-olds in the Latrobe Valley

Parents, volunteers, coaches and spectators all have a role to play to keep youth playing sport. Here are some things to consider that can help retain participation, based on findings in the Increasing Access to Sport project.

### Coaches - practice positive coaching:

1. Remember: young people play sport to have fun with their friends. If they stop having fun, they stop playing
2. Use the Magic Ratio - five pieces of positive feedback for every criticism
3. The scoreboard is an important part of youth sport, but winning is neither everything nor the only thing.

### Parents - on the ride home:

1. Tell your kid how much you enjoyed watching them play/train and ask them what they enjoyed about it
2. Don't offer your advice or observations on their performance or the game/session unless you're asked
3. Don't undermine the coach or umpires. If your child expresses concerns, help them arrange a discussion

### Clubs - make youth a genuine priority:

1. Listen, invest and persist. Do your research, and talk to your players. Then try things, like free food or new training times/locations. And remember: you can do everything right and it may not work, but it gives you the best chance to keep the ones that do give you a go.
2. Inspire youth with youth. Ensure your marketing and comms approach shows how important youth are to your club, league or association.

## FOOTBALL

Wow, what a ride since our triple premiership day in 2019!

The Bulldogs spent the 2020 season like all

others – in recess and desperately waiting for footy to restart. As the steps towards a 2021 season began opening up, the excitement for a new season started to build, and here we are with a new season starting in 2021. Even more exciting is the return of our traditional rivals Kilcunda-Bass to our Easter blockbuster at the kennel.

With senior coach Beau Vernon returning, the bulldogs are excited to welcome an array of new talent to the kennel in 2021. The arrival of Daniel Pearce, a couple of Blakes and an array of exciting young pups from our back-to-back U18s premiers – all combined with the return of the ‘senior’ spine of our back-to-back premiership teams – have the doggies ready and pumping for another great 2021.

Reserves are bursting with talent. Our new – well he was new in 2020 – coach James Stirton has an exciting group of players ready to push the senior players for positions, including seasoned and young players alike.

Juniors are also in excellent shape. U18s new coach Kurt Lane has a core group of players returning from our U16 2019 premiership. With 3 members of the team committed to Gippsland Power for much of the season, opportunities will abound for this group to

step up for 2021. U16s have a full list of 30+ players under new coach Matt Griffin, stepping up from the U14s from 2019 and expected to perform well in the ‘big league’.

With a committed group of sponsors – both returning and new sponsors coming on board – a committed committee, and a large group of committed volunteers, the excitement has been building. We are all so excited to see 2021 arrive and to get back on the field!

Good luck to all the teams in the WGFNL for 2021, but most of all.

*GO DOGGIES*

## NETBALL

We’re excited for the season opener. We’re refreshed and ready with some familiar faces and some new blood joining our netball club over the break.

Our juniors are fired up and ready to take on Kilcunda-Bass in all age groups. There’s some exciting talent coming through our junior ranks. The Bulldogs will be represented in the seniors by our B & C grades only this weekend, Unfortunately Kilcunda-Bass have not been able to stand-up an A or D grade side.

But you won’t be disappointed come show time for the seniors. We’ll be running an intra-club match featuring our A & D grade sides playing a game for the ‘Easter Bunny Cup’. For an extra element of crowd excitement, we’ll be introducing the ‘Super Shot’ – a 2pt score for any goal hit from outside of the goal circle during the last 5 minutes of every quarter.

# KILCUNDA-BASS CLUB NOTES

This week's KBFNC Barracker report brought to you by the San Remo Hotel-Motel.

We're back! And what a way to be back, with a clash against one of our biggest rivals Phillip Island. The Island have had the wood over us over the past few seasons but we're certainly ready for the big challenge that awaits us in every grade.

We couldn't be more excited for the return of our Under 16s and Under 18s footy sides. Jai Kleverkamp will coach our super talented Under 16s and Brent 'Bubba' Wallace will be coaching our very keen Under 18s. We're extremely proud of all the boys' efforts so far and to get both sides back competing certainly shows how things are on the improve at the club.

After a down year in 2019, the Reserves are certainly expecting to be significant improvers in 2021. Dave Hersh will take on the coaching role once again and he'll definitely be aiming for finals action, with some new weapons at his disposal.

The senior side is up and firing under new coach Steve Wright, and the KB faithful should be very happy with the work he's done with the boys so far. Wrighty and our new assistant coach Campbell Brown have certainly set a high standard around the club and the boys have responded extremely well. With over 450 VFL/AFL games between our new coaches, the boys couldn't ask for better guidance ahead of a big season. There are some new faces that we're excited to see in action, but the improvement of some

homegrown talent will also be a key factor to our rise up the ladder in 2021. You couldn't ask for a better measuring stick in round one, with a clash against the reigning premiers and hopefully we can bring the Eric Marks Cup back over the bridge tonight.

Our netball junior numbers have never been stronger and everyone's very excited to see how they perform this year. The girls have had a brilliant preseason and the future of the club is certainly looking bright on the netball club. Under 11s, 13s, 15s and 17s will all be in action today so make sure to throw your support behind the girls.

We'll be fielding B and C Grade sides in senior netball this year with Fiona Burns as our head coach. Fiona's done a great job in the preseason getting the girls ready for action and the club is certainly going to support the two senior sides as much as possible. Throughout the season we'll be working on making sure we field all senior sides in 2022 and be back better than ever on the netball court. Tonight, we will be heading back to the San Remo Hotel for dinner and a few drinks. Some entertainment will be on at the pub later on so stick around for a fun night – hopefully after a few big wins!

On Sunday, April 11 we will be hosting our Century Club function. For more information on the big function check out our Facebook page. Our first home game will be a twilight match in Round 3 against Dalyston and on the same day we will have a memorial for the late great Dave Brown.

*Good luck today Panthers! Give it your all!*

# ***INVERLOCH KONGWAK CLUB NOTES***

---

We welcome  
Cora Lynn  
to this Easter  
Saturday

clash, it's such a big day for our club, so good luck to everyone. We also welcome back all our players, members, supporters and sponsors. Today we officially open our stunning new netball courts and pavilion. We would like to thank the Bass Coast Shire Council, State Government, Westpac Bank Inverloch Branch, R and C Asphalt and TS Construction for their contribution in delivering such a fine facility that the whole community will benefit from. Today our footballers and netballers will be wearing black

armbands to acknowledge the passing of Dave Teakle's father, Graeme. Sincere condolences to the Teakle family at this difficult time.

In a fortnights time on the 17th April we have Jarryd Roughhead and Robert Murphy pulling on our club jumper and playing for us which will be a huge day for the club. We are expecting a massive crowd on that day so if anyone can spare an hour or two to help please see Pete Butcher.

We encourage everyone to join us in the social rooms after today's games.

*Pete Butcher, President*

# CORA LYNN CLUB NOTES

Wow! After a long wait the 2020 season has finally started. Our game against one of our great rivals Inverloch-Kongwak will help us to see how all our teams will perform after an extraordinary twelve

months of events that we hope never to live through again.

Firstly, though on behalf of our great club I would like to thank all our sponsors, members, volunteers and supporters for having the faith in us as a club by helping us financially through last year. Our membership base continued to be strong, and our sponsorship has continued to reflect the hard work that our board has put into the future.

Our board met regularly through COVID and everyone played their part in doing everything they could in ensuring our operational status would be up to speed when the season started again.

Our board represents all aspects of our club including senior and junior football and netball, businesspeople and people with expertise in managing people, finances and resources.

We were very pleased to retain the services of our premierships coach, David Main who has proven to be very effective at managing players, support personnel and members. His football acumen is amazing and he has the rare ability to be able to call on people when required. He has a very loyal support group that has built up over the years and the club feels very appreciative that he has decided to stay with us.

Michael Palmer continues as the coach of our development team. Michael has been a revelation as he performs one of the hardest roles in any club with intelligence and depth. Michael's people management is great and he works closely with David and his team.

Our new thirds coach is Michael Ryan who has come back to our club after winning an U16s premiership a few years ago. Michael is a player magnet. They are attracted to him as a coach because of his great knowledge and depth, his ability to communicate effectively and his dedication to the skill development of the players.

Our new fourths coach is James Perkins who has kept this group together over the last six years from when they are part of the Junior Cobras. This team shows the importance of an effective pathways program as the players and coaches are part of the Cora Lynn family. We are looking forward to celebrate the achievements of our fourths side as they get used to the hurly burly of a tough competition.

## GOOD NEWS

We have been working closely with the Cardinia Shire and we believe our dream of our new change rooms will be a reality this year. This facility will provide us with the "icing on the cake" as far as our infrastructure is concerned and we are looking forward to it immensely.

We are looking forward to the challenge that today will bring. We know that Inverloch will be formidable as they have one of the great proven local coaches at the helm.

*Andrew*
