GIPPSLAND LEAGUE REPORT

It has been another successful season for the Alinta Energy Gippsland League both on and off the field. The past 12 months have been a large step forward for the League and our member clubs with the return to a full season of competition for the first time since 2019 and the reinstatement of a board of management for the first time since 2016. I was grateful to be offered the opportunity from the incoming board of management to continue to lead the League off the field. It has been great to see the clubs, volunteers, players and spectators able to return to weekend football and netball action around Gippsland. One of the key off field goals this season was to transition our administration / governance and along with successfully delivering that transition, the League was also able to achieve some of key areas of success in 2022 including:

- Expansion of Gippsland League TV including the creation of our match centre and streaming service
- Record minor finals series attendances
- Implementation of our community grants program
- Providing new onfield officials equipment at no cost to clubs
- Delivering Mental Health Round and Orange Round
- Transitioning to an independent administration and business operations
- Creation and implementation of our 2022-2027 Strategic Plan
- All 10 member clubs having a football and netball team participate in the finals series

I managed to get around to see every club play at least once in 2022 and can safely say the standard of our top grades of competition is unparalleled in the region. Our member clubs facilities are always on the improve and several recent upgrades including to the netball facilities at Sale, Maffra and Moe truly have us a long way ahead in this area. The expansion off the field continues and it has been great to finalize our 2022-2027 strategic plan during the year. This will provide the framework for the continual growth of the League and drive home the values of Premier, Innovative and Sustainable with Leadership, Point of Difference, Forward Thinking key pillars in our decision making moving forward.

We are fortunate to have amazing support from our business partners. Our major naming rights partner Alinta Energy and Loy Yang B have allowed us to deliver a number of benefits for our clubs. There wouldn't be many sporting League's offering their own clubs opportunities to apply for grants direct to the League to aid in bettering their club and communities and Loy Yang B's support has allowed us to deliver that program. Our Mental Health Round was one

of the highlights of the year and we look forward to continuing and growing that event with Alinta and Loy Yang B's support over the coming years.

Evans Petroleum have become one of the League's major partners and their support has allowed us to invest in our onfield product and provide our member clubs with new runners, trainers and water carrier uniforms. They also allowed us to again produce a high quality interleague program for our players. TRFM and Gippsland Live provide unparalleled coverage of our product and their investment in the League continues to promote us as the premier competition in the region. Our long term partnership continues to grow the League's profile and we are fortunate to work closely with the Ace Radio team with our Gippsland League offices situated withing the Ace Radio HQ in Traralgon. Puma and TLA Worldwide came on board this year as our official apparel partner. In a first for the region, we are exclusively signed with the worldwide sporting brand to produce our Gippsland League branded on field and off field wear. I don't think there can be much argument with the quality off product that is being produced and we can't wait to see more clubs utilising the onfield jumpers and netball dresses in the future.

Red Onion Creative continue to provide our Record and filming products and our partnership allows us to market and promote our brand at a high level. A huge thanks also to Sherrin, Valley Trophy Centre and all of our record and award partners. Your support allows us to continue to deliver our benefits to the clubs and their volunteers and players. We look forward to continuing our strong relationships moving forward.

It has been great to see the majority of our clubs heavily invest in their own marketing including expanding their presence on social media. The League invests a lot of time and effort in the digital space and we have surpassed 10,000 followers across our social media channels. The feedback from our finals coverage has been very pleasing and we will continue to prioritize promoting our League and member clubs to the fans.

The expansion of Gippsland League TV has been a huge step forward in 2022. Live streamed netball matches and 3-5 live streamed football matches each week for our fans. We have streamed every senior and A Grade final live and TRFM have been live calling every final. This season Gippsland League TV produced 64 Senior Football home and away matches, the first A Grade Netball live streamed home and away match, all A Grade and Senior Football finals filmed and live streamed, 60+ match highlights videos created and posted via Facebook and YouTube, 18+ Top 5 Plays of the Week videos created and posted via Facebook and YouTube and all 10 Football and Netball Grand Finals live streamed. Over 30,513 unique viewers tuned in with the Senior Football Grand Final the most viewed match of the year.

The Finals series was a huge positive with record gates for three of the five minor finals. The Qualifying, Elimination and 1st Semi Final all had record takings with the two Sunday finals also producing a record amount of patrons through the gates. The 2nd Semi Final crowd was also a record for day time event with only the 2018 night 2nd Semi Final eclipsing this years crowd. All 10 member clubs had teams feature in the first two weeks of the finals series. All clubs had at least one football and one netball team feature in week one which highlights the depth of talent among all of our member clubs. A lot of effort was put into delivering the finals series and promoting the League and our partners which we had a lot of positive feedback about the presentation off the field of the finals series.

I want to thank our Chair Brett Tessari for his backing and support so far. It has been great to have him involved at League level and he has led the board forward in 2022. A huge thanks to our netball administrator Carlie Dwyer for her efforts again. She goes above and beyond every year and we are very lucky to have her involved and driving the netball operations over a number of years. Thanks to all the volunteer coaches and staff involved in our representative programs. Thanks also to Vice Chair Andrew Livingstone and netball subcommittee Chair Jodie Galea for their support and efforts in 2022. Most of you would have seen them around the games during the season and at the finals helping us deliver the 2022 finals series. Their efforts at this time of year and throughout the entire 2022 season have been greatly appreciated. A final thanks to all our member clubs and administrators for their efforts again. The first full season back on field since 2019 while transitioning competition management systems presented some challenges but I think as a League we managed to work through the requirements and now can look to streamline and make this a positive experience for our volunteers in 2023.

SPONSORS 2022

Alinta Energy Gippsland League would like to thank all of our major partners, sponsors and suppliers for their support in 2022. Their contributions have allowed the regions premier league to grow and prosper again this year with significant resources being invested in the clubs.

2022 saw Alinta Energy come on board as our major naming rights partner. Their recent investment in the area including basing their new call centre in Morwell presented a great opportunity for our organisations to partner. Loy Yang B Power Station also joined the League as part of the Alinta Energy agreement and their major partnership has given the League a huge boost in delivering our community development projects including Mental Health round and our club grants program.

TRFM has been a major supporter and driver of the promotion of the League for nearly a decade and con-

tinues to help grow the game. Valley Trophy Centre, Red Onion/Ad Cell and Sherrin are also long term supporters who continue to be great partners for our League.

Evans Petroleum also joined the League as a major partner and their support allowed us to continue to deliver engaging representative programs and supply the member clubs with officials uniform at no cost to the clubs.

TLA Worldwide and their apparel supplier Puma became the first exclusive apparel supplier for the League. Their product fits in with our values and image and we thank them for their investment in our League.

Thanks also to our long term advertisers the National's Darren Chester who is a big supporter of our Record. Sports Vote Count, Warragul Downtowner, MP Sports Physios & CR Strength and Conditioning.

Thank-you for your support for season 2022.

GIPPSLAND JUNIOR INTERLEAGUE CUP

MORWELL RECREATION RESERVE - June 30th 2022

The annual Under 18s Junior Interleague carnival took place at Morwell in the June/July school holidays. Gippsland League made the final but went down to West Gippsland under lights by 5 points. It was a great effort by the team without any players available that have played Gippsland Power this season. Thanks to Coop Robbins from CR Strength and Conditioning for taking the players through their warm ups and all the coaches headed by Kristian Gray including Ben Willis, Jordan Kingi and Mark Lafferty.

FINALS REPORT

The Finals have come and gone and what an experience it was to have premier community football and netball back during September. The 2022 finals were met with heightened anticipation on the field with two sides in the premier grades going into the finals undefeated. The Leongatha senior football side were on one of the longest winning streaks in country football while Morwell A Grade, still reigning premiers from 2019, came in with 17 wins and a sole draw during 2022.

The fans were out in force during the minor finals with record crowds through the first two weeks of finals action. The Preliminary Final day was another huge crowd with Grand Final competition from three district Leagues on the day. The Grand Final forecast was bleak but the weather in the morning was as traditional as you could get for a Grand Final. The clouds and rain closed in the afternoon as the Senior match finished in torrential rain. There was still well over 4000 fans at the Grand Final which again makes the day to a major community sporting event. 10 clubs featured in the 2022 finals with all member clubs having one side in the football and netball to cheer on during the finals series. In testament to the state of the League, every club feature a side in week two and three of the finals. While the results went against the spread for Grand Final day, there was still representation from six clubs on the day throughout the football and netball grades.

Our social media smashed all records we had previously set. Over the finals series our Facebook and Instagram posted reached a total of 1.5 million. Obviously the content is seen by our followers on a regular basis but to get the reach combined with our engagement figures totaling over 50 thousand likes on our content, over 2.5 thousand fan comments and just short of 2 thousand shares of our content to a broader audience.

Gippsland League TV streamed a total of 20 finals to our fans that couldn't get to the matches. This included 11 netball finals with the streaming of all A Grade matches for the first time ever. Our online awards day 'SUPER SUNDAY' where our online vote counts were broadcast live again was well received. Well over 15 hours of work went in to creating the presentations and to have over 9000 unique views was a huge positive with multiple gatherings viewing the counts live.

The onfield action was at a premium and especially on the football field the margins were unbelievable competitive across the field. The entire finals series in the Senior football was decided by 87 points. With the average winning margin under 15 points. This was highlighted on Semi Final weekend with both matches being decided by 4 and 3 points respectively. Qualifying Final day saw the two junior matches decided by a point and the overall margins for the day averaged out under 8 points. Overall 42% of all matches were decided by 2 goals or under with 2 one point classics in the Thirds including the Preliminary Final where the Red Legs were seconds short from a Grand Final spot. After one of the great finals series, there are many including us that can't wait for the 2023 finals series already.
