

Gippsland League Netball Match Day Guide

This guide is to assist clubs in ensuring all information required is completed on match-day. Please ensure you have a copy of the scorers guide at the scorers table. After each game both the home and away sides are required to input their best players and goalscorers on the **Match-day Sheet** for the home team to input the information into PlayHQ.

Please remind scorers to add up the players goals tallies and mark on the score sheet in the areas provided. This year the goal totals and best players for each game will be required to be entered via Netball Connect. Teams may select up to 3 best players for the match. Teams do not need to select more than two best players but have the option for the third player.

All players must be registered with your club on Netball Connect and Play HQ before entering the court. This needs to be done electronically via your clubs registration link. Failure to do so will result in a bylaw breach and the corresponding penalty.
